I had been looking for a book that explained how to Bake like a professional, this was a weakness in my cooking attempts.This Book has been an enormous help and my Baking has improved 100%. and I am trying every recipe. Every recipe is explained in words that are simple and easy to understand. I purchased 2 of them and sent one to my granddaughter who loves it,0 of 0 people found the following review helpful. I recently realized I use it more than any other. I love the step by step photos and it gives me confidence in the kitchen. I ordered this for my son and he enjoys trying new things and learning. It's a great book. Thanks.0 of 0 people found the following review helpful. Complete BakingBy Celestine L

brooksIf you love baking, this is the book for you.I love bread .There are many recipes even old fashioned ones my mother used;now I'm able to duplicate those fine breads and desserts.Be careful,don't eat too much. There's nothing like a piece of hot bread from the oven with a little fruit spread.Now there's time to experiment in your kitchen Enjoy

400 step-by-step recipes for tempting pies, cakes, breads, cookies and bakes, with 1500 gorgeous photographs.
