However, failed recipe after failed recipe came out of this book. I am by no means great in the kitchen, but I'm sure that at least ONE of the recipes I tried would've turned out edible. I don't believe any of these recipes have actually been tested. Don't be fooled by the delicious looking pictures like I did!2 of 3 people found the following review helpful. Every Picture Tells a StoryBy Peaceful_InhaleNot a good baking book at all. I tried 5 recipes and none were above a one star.The pictures are lovely but I don't think any of them came from this cookbook
