3 of 3 people found the following review helpful. Great for afterschool weekend fun, for partiesBy Julie A.

Ericksonmy 10 y.o. niece and her friend loved making the Easter Bunny cupcakes - they found it so easy to follow the instructions and were delighted with how the cupcakes looked and tasted. I even did a good job with the decoration, thanks to the step-by-step instructions and illustrations that showed exactly how to do everything. It was a really fun way to spend an hour or two after school.
