Amazing!By Tammy YuenThe pictures are so beautiful, and while many of the recipes include twists on classics, the author provides step by step instructions and really encourages readers that they can make these amazing desserts. The chocolate chips are to die for and among the best I have ever tasted or made.0 of 0 people found the following review helpful. Five StarsBy Carrie BDarling book!3 of 4 people found the following review helpful. Love this cookbook!!!By Christina M.I just received last week and I did already make the mixed berry pie which was a huge hit for the whole family! I didn't even serve with ice cream. Very easy to make and made the house smell amazing we couldn't even wait to let it cool. While many recipes are geared towards summer, I did also see an apple pie recipe and lost of morning dishes such as cinnamon rolls, so I can see myself baking from this book all year long. The pictures and stories are beautiful too. I am so excited to try more of these recipes and definitely recommend!
