Gordon Rock : Bento Cookbook: 25 Healthy Easy Bento Box Lunchbox Recipes before purchasing it in order to gage whether or not it would be worth my time, and all praised Bento Cookbook: 25 Healthy Easy Bento Box Lunchbox Recipes:

0 of 0 people found the following review helpful. I have to say that lunchbox meals get pretty boring. This book changed that for me indefinitelyBy T. JohnsonI have to say that lunchbox meals get pretty boring. This book changed that for me indefinitely. The first recipe I tried was the japanese ginger pork, and it kept so well in my lunchbox. It didn't even taste as if I had cooked it the night before. The flavor combinations represented in this book are deeper and

more pronounced than I would have thought possible. The recipes are so easy to follow and it'll be hard not to try to take everything for lunch at once. Next for me is the roasted eggplant! I have already recommended this book to my coworkers and one has already bought it. These recipes are great for anyone who gets tired of the same boring lunches all the time. 2 of 2 people found the following review helpful. but this one has been BY FAR my favorite. Not only does the beginning give reasons why ...By Nikki Smith This book was actually extremely helpful. I'm a fan of other Bento lunchbox recipes, but this one has been BY FAR my favorite. Not only does the beginning give reasons why you SHOULD make the recipes, it also tells you how to make your lunch more appealing (and healthier), and even provides a list of staples that you need for healthy eating. The roasted sweet potato with scallion butter was one of the most delicious lunches I've ever had, and all of my coworkers were begging to try it! I did remain greedy though, and pointed them straight to this book! 10 of 0 people found the following review helpful. Like the Bento idea By Customer Sadly, the recipes are not easy to follow and a lot of the ingredients are difficult to find or for that matter, difficult to understand. I will use the book to pack my lunches, but not too many of the recipes.

Do you love Japanese food? Have you ever wanted to prepare your own delicious bento box recipes? What if you had an easy to use bento cookbook that could help you create scrumptious bento box recipes? This cookbook features 25 easy, healthy Japanese recipes that can be incorporated to make meals for your bento box lunchbox.
