About the Author Gooseberry Patch was founded by Vickie Hutchins and Jo Ann Martin, two moms looking for a way to do what they loved and stay home with kids too. Celebrating 25 years of publishing in 2017, Gooseberry Patch is best known for their collection of family-friendly, community-style cookbooks. Each book is created with today's time-strapped, budget-conscious families in mind and filled with recipes shared by cooks all across the country; with some from friends in Canada and occasionally "across the pond". Along with treasured family recipes, each book includes the stories that go along with these tried true dishes.
