Sarah J. Larson : Best Pie Recipes before purchasing it in order to gage whether or not it would be worth my time, and all praised Best Pie Recipes:

12 of 13 people found the following review helpful. Classic and modern pie recipes equals yummy bakingBy _CustomerAuthor Sarah Larson has compiled a good selection of both classical and modern pie recipes in her The Best Pie Recipes collection. She also included a recipe for lard pie dough and one for shortening. Using lard may sound old-fashioned but lard does make a wonderful pie crust. I wish Larson had included a recipe for a butter pie

crust recipe as I personally like butter-based pie crusts. Some of the recipes you will find in her cookbook include: Classic Strawberry Pie (My grandma made a similar recipe) Boysenberry/Blackberry Pie Filling Chocolate Chip Pie Peanut Butter and Chocolate Pie There is an active table of contents making navigation easy. Recommend. 2 of 2 people found the following review helpful. Yummy! By L Miller Here's another great freebie. If you like pie, this is a great reference of recipes. There's a good recipe for crust (always essential. The store bought crusts are ok in a pinch, but tend to be heavy and expensive). This is equally true of those strange 'box' pie crust mixes, which tend to be salty. Pies are not just for dessert. They make a comforting main dish if you enjoy shepherd's pie, chicken pot pie and the like. A tip: making a decent pie is a sure way to impress your date or his or her parent(s). I like pie and found out early in my marriage that my pies were what won my father-in-law over. My mother-in-law was equally pleased, because she could no longer manage pie making, due to vision problems. In short (no pun intended) this is a handy reference to have around to experiment with. If you want to start a cottage industry, supplying a local restaurant with pies might be just the thing. 1 of 1 people found the following review helpful. Great old recipes By Jan Cole My grandmother could have written this book. The recipes sound like the ones I grew up with especially the pie crust using lard. Growing up in the country and raising our own hogs we had plenty of lard and pie crust was one thing it was used in. Made a fantastic pie crust. Of course with the the health issues today you don't see lard used much anymore. The pies sound great as well. The book has no pictures, fancy illustrated pages, etc. so all you get is good recipes. I will surely be making pies from this cook book. Would make a good gift for someone special.

This amazing little book will be an essential staple in your kitchen because it contains the best pie recipes! Whether you are hosting a picnic or holiday gathering, attending a party, or simply satisfying a sweet tooth this book of easy pie recipes will be your "go-to" guide for pies! Don't be fooled, these are not new pie recipes, but yet the classics and some with a spin. Are you looking for a fancy, lattice top pie? Or maybe a classic two-crust apple or pumpkin pie for the holidays? Or perhaps an amazing fruit filled pie in the summer months? This little book will make your creations become the talk of the town. And here's the kicker... they're not complicated. Sure there are recipes that are more complex or will take a bit longer, but these are easy pie recipes as well. And let's face it, sometimes you just want to make a filling instead of using those preservative-loaded cans from the grocery store. Well, this book also contains pie filling recipes! Show up at your friend's house with one of these marvelous creations, and your friends will envy you and your baking abilities. Even if you've never baked a pie before in your life, you'll find these simple pie recipes too hard to resist. Don't go another day without this little secret for delicious deserts in your hands!
