0 of 0 people found the following review helpful. the BEST bread book!By Katie E. WardI have had this book for many years. It has all the basic recipes for yeast breads, quick breads, muffins, pancakes, waffles plus many many more. It's a book I don't want to be without! My daughter is off to college in the fall, so I bought a new copy for her - she doesn't want to be without it either!
