This is an awesome collection of Christmas/holiday favorites, from old-fashioned favorites to new and interesting variations to try out. If you're a cookie fan, here are every kind of cookies - cutout cookies, shaped cookies, sliced cookies, drop cookies, bar cookies, macaroon cookies..... There's something to keep your cookie jar filled up all year, not just the Christmas holidays.If you're a new cook, the book begins with instructions and baking tips and storing tips, including how to safely mail cookies as gifts without them crumbling up in transit.Great cookbook for cooking fans and would make a great gift, even though it's from the 80s, for a friend or family member who loves to bake.1 of 1 people found the following review helpful. Mouthwatering and Original Scandinavian Cookies Sure to Become Christmas Classics!By CelticLauraHanded down by my Norwegian grandma, this book contains ALL of my favorite Christmas cookies! They are heavy on the Scandinavian recipes, but don't Scandinavians make the best Christmas cookies anyway? I agonized through 11 months of the year until my mom would make these. Your family will never let you NOT make some of these selections come Christmas!0 of 0 people found the following review helpful. It has my FAVORITE Christmas cookie recipesBy Sleeping in SeattleI lost this book in a recent move and was going crazy at Christmas time without it. It has my FAVORITE Christmas cookie recipes. Not realizing it, I ordered two - and then found my original in a box, so now I have THREE! But I'm hanging

onto them because everyone LOVES my cookies and I'm sure I'll pass the other two along to some lucky recipients at some point. ;-) It's out of print now, so it's a rare find.
