This book is full of instructions, tips, and recipes for the beginning baker to the advanced. I'm experimenting with bread baking and this book is an awesome resource. Totallly worth the money.0 of 0 people found the following review helpful. Great all-around bread cookbookBy Giliiah S. LitwackI bought this because I had destroyed my first one from overuse. There are lots of great recipes in here. The cinnamon rolls are great. This came out before bread machines, so you'll need to adapt the recipes if you want to use your bread machine. I love this cookbook for the wide range of recipes in it. I am so happy to have a non-mutilated copy again.0 of 0 people found the following review helpful. wonderful book. like they used to make. 1973 version has great recipesBy throat puncheromg a 44 year old book for a penny! shipping was standard media shipping. this book was recommended in a bread baking group on facebook. so many people are using it, so i had to get my own copy. lots of great bread recipes.

Classic Bread Cookbook with lots of traditional receipes
