Wonderful Condition By Kristine Stubbs I bought this for my brother because my sister and him both wanted the book my mother baked cookies from in 1986. I was shocked to find it and for the price I could not pass. It arrived sooner than expected and in wonderful condition. The pages were slightly ivory versus white, but for a 20 plus year cookbook... I was amazed. I would definitely buy from this seller again. 0 of 0 people found the following review helpful.
