Better Homes and Gardens Books : Better Homes and Gardens New Baking Book (Better Homes Gardens)
before purchasing it in order to gage whether or not it would be worth my time, and all praised Better Homes and Gardens New Baking Book (Better Homes Gardens):

0 of 0 people found the following review helpful. this is a second copy of this most fabulous baking ...By Loralie R. Schroedelthis is a second copy of this most fabulous baking book. have used it for many years. every recipe comes out perfectly. needed a new copy as the old one is a mess.0 of 0 people found the following review helpful. Five StarsBy Bryan HuntNice book, older pictures, recipes. Good variety of baking goods.1 of 1 people found the following review helpful. One of the best cookbooks ever!By Just another shopperGrowing up, my mom used this book to make so many delicious treats that we practically had the book memorized. When I married and moved away, I knew that I absolutely *had* to have it and was so happy to find it through for less than four dollars! Couldn't be happier with it -

it is my go-to cookbook for baking anything. The recipes are reliable and so far we haven't found one we don't like. I cannot say enough good things about it! I will be proud to pass this along to my daughter when I have one. :)

Delicious recipes tested in the Better Homes and Gardens Test Kitchen. Ring-bound format capitalizes on the popularity of the best-selling New Cook Book. Tabbed chapter dividers, each with a full-page photo and an index for the chapter. Baking Basics chapter provides short course for novices, a good refresher for experienced cooks. Includes chapters on baking reliables: Cakes, Pies and Tarts, Yeast Breads, Quick Breads, and Cookies. Specialty chapters such as Baking with Kids, Holiday Classics, Spectacular Desserts, and Old-Fashioned Desserts meet the needs of a variety of readers. Provides extensive baking tips, question-and-answer boxes, and descriptive recipe copy throughout. Gives preparation time and nutritional information for each recipe. Designates Easy, Best-Loved, and Low-Fat recipes.

From Publishers Weekly With an excellent section on bread baking and a few scattered recipes for savory baked goods, this collection of 600 recipes remains mostly a celebration of American desserts, offering a glimpse into the kitchens and dining rooms of middle America from the 1930s to the present. The quirky, but surprisingly effective, organization underscores the point: the section "Old Fashioned Desserts" features vintage recipes from the magazine, the Apple-Cherry Pandowdies, Blackberry Cobblers and Baked Custards of our grandparents' Sunday dinners. The abundance of cheesecake recipes (18 in all, including a Cafe Au Lait variation) conjure up 1970s dinner parties, while "Spectacular Desserts" includes a Della Robbia Fruit Tart and Olive Oil Genoise in Strawberry Champagne Sauce. Pies and tarts, cakes, cookies and bars, and quick breads get their fair share of attention. Selected recipes in each section are tagged "best loved," "low fat" and "easy." Each recipe comes with a complete breakout of nutritional information, and the 270 photographs illustrating how-to basics are especially helpful. Occasionally recipes are broken into steps somewhat arbitrarily; readers will do well to read through the instructions before beginning their work. With its characteristic perky, can-do spirit, this comprehensive collection will appeal to anyone with a soft spot for American desserts. 125,000 first printing.
