From Meredith Books : Better Homes and Gardens Old Fashioned Baking before purchasing it in order to gage whether or not it would be worth my time, and all praised Better Homes and Gardens Old Fashioned Baking:

3 of 3 people found the following review helpful. When taste is paramountBy Robert AdamsMy wife has had this book for years. My daughter wanted a copy of her own so we bought it for her. This book doesn't waste its time telling you how to make the food healthy. It tells you how to make delicious desserts. I have the pounds to testify to that. Use this book at your own risk!0 of 0 people found the following review helpful. Five StarsBy Debbi Catlinwith fall coming on who doesn't need a great baking book!
