So happy to have it againBy CustomerI lost this book years ago while gathering ingredients for one of the recipes. ...left it in the shopping cart by accident... ugh. So happy to have it again. Wok On!!9 of 10 people found the following review helpful. The best wok cookbook ever!By A CustomerThis cookbook has become an essential in our kitchen--high flavor yet easy to prepare dishes. I use this at least once a week.0 of 0 people found the following review helpful. GoodBy A CustomerIt has some really good recipes in it.

For those unfamiliar with Oriental foods, here is a great introduction to Chinese, Japanese, Korean, Thai and Vietnamese specialties. The traditional recipes are easy to prepare, use mostly familiar ingredients and simplified methods, and are accompanied by easy-to-follow directions on stir-frying, simmering and steaming. Includes 87 four-

color photographs.
