Gorgeous Book- yummy creations By My 2 Cents I purchased 3 Christmas cookie books this year and this one is the BEST of the 3. The directions are well outlined. Each cookie recipe has a high gloss picture of the finished product and the print si e is perfect for people with less than perfect vision .I have tabbed at least 20 recipes that I'd love to try. You will love this book and none look too complicated either! 4 of 4 people found the following review helpful. Cookie perfection! By asieburg Bought this book and love it...each recipe has tips for storing and freezing each type of cookie. I made several different cookies from this book and all were great. Highly recommend!
