Betty Crocker : Betty Crocker Birthdays (Betty Crocker Cooking) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Betty Crocker Birthdays (Betty Crocker Cooking):

While the book had some good ideas, I don't think the ideas were implemented as well as I would have liked especially when it came to the themed decorated cakes. The cakes looked like they were designed for novice cake bakers and decorators not experienced bakers. If you are just starting out, then this book will be a good one for you to use. For the experienced cake baker though, this cookbook will be a bit of a let-down. You will find birthday cake ideas for both adults and children. Here are some ideas offered by section: Adults Over-the-Moon White Ale Cupcakes (uses Belgian-style wheat ale beer in the recipe) Decadent Chocolate Cake with Raspberry Sauce Gluten-Free Caramel Chocolate Cake Tangerine Ombre Cake Children Princess Doll Cake (Great idea but the cake needed more decorating ideas) Ladybug Cake (Cute but looks a bit amateurish) Piano Cake Train Cake (Cute and nicely decorated using candies) Other birthday treats: Dainty Daisy Cake Pops (Kind of cute) Cake Batter Cookie Stackers Chocolate-Cherry Ice Cream Cake Birthday party ideas: Surprise Birthday Party for All Ages Cheerios First Birthday Party Princess Party Pirate Party Note: There seems to be a glitch in the Kindle version table of contents as the Surprise Birthday Party for All Ages links to the Superhero Cake. Recommend with caveats given. 0 of 0 people found the following review helpful. Just like Mom had! By Customer Almost like the one my girls loved as youngsters. They picked out a new cake every birthday. My daughter wanted one for her little girl who will be one year old in the spring. She was so pleased that it was still available, with

even more beautiful cakes to try.

A homemade birthday cake can be the perfect way to make a celebration special, and Betty Crocker makes it easy for anyone to bake a cake that's beautiful and impressive. This lighthearted book is bursting with 80 fresh ideas for birthday cakes, cupcakes, and other sweets, each with a full-color photo. Find inspiration for kids' parties in a Flip Flops Cake, Guitar Cake, or Princess Castle Cake; elegant ideas like an 18-Layer Red Velvet Cake; and individual treats like Chocolate Sour Cream Cupcakes and Peach Pie Pops. A special chapter provides complete menus for throwing a Pirate Party, Dinosaur Party and even a Half Birthday Party featuring a semicircular rainbow cake! Perfect for kids of all ages—and even adults—this book will make birthdays fun for years to come.
