recommend as you can never go wrong with Bisquick!0 of 0 people found the following review helpful. Crow's Bread!By Bon-Ton BorzoiSo many things you can create using Bisquick. I buy the largest size available from Sam's Club at nearly every visit there! When I'm out of stale bread for the crows outside, I make them, what I call, Crow's Bread. 2 cups of Bisquick, add a shake of my special seasonings (thyme, rosemary, basil, oregano, parsley and garlic powder) add 1 cup of water, mix, then spread on cookie sheet and bake for 12 minutes at 400 degrees. If we don't eat it first (including my dogs who salivate when I make it), the crows get some tossed out to them. They come FLYING IN right after I throw it out for them. People do look at me funny when I say I make "crow's bread." I think they might think I have crow in it or something! LOL!1 of 1 people found the following review helpful. Betty Crocker Bisquick II Cookbook: Easy, Delicious Dinners, Desserts,... My wife and daughter love it!!!By Book ManMy wife does all the cooking in our house as cooking isn't my strong point. She saw this book years ago (somewhere - don't remember where), and asked me for a copy, so needless to say I immediately ordered it from (both I and II). She tells me all the time how much she likes it and uses it, and since I love her cooking, it must be good. Last Christmas, my recently married daughter strongly hinted how much she wished she had her own copies, as she had learned much from her Mom and wanted the recipes. So I ended up ordering a 2d copy (of both I II) as a gift for her. Happiness and good food now abounds!

From Publishers WeeklyIt's a branded product recognizable to most Americans, whether grabbed blarily from the cupboard on weekend mornings to produce a pancake breakfast or picked up in the supermarket to make quick biscuits alongside whatever else is for dinner. In this follow-up to the first Bisquick Cookbook, recipes for "Ultimate Bisquick Favorites" (including Best-Ever Waffles and Melt-in-Your-Mouth Pancakes) are used as endpaper, while the inside pages hold dozens of recipes for quick family meals. Salty dishes like Roasted-Vegetable Egg Bake (which gets a "Kids Love" icon) and Mini Rosemary Garlic Focaccias (which doesn't) complement recipes for sweet breads, tarts, snacks and desserts. Full-page pictures illustrate about a third of the recipes—this is one of the highlights of this conveniently spiral-bound book, which has its pages inset to prevent staining when it's laid out on the counter. Each recipe comes with explicit prep and cook times, and offers a "Betty's Tip"—serving suggestions or pointers when shopping for non-Bisquick ingredients.
