**BETTY CROCKER EDITORS : Betty Crocker Christmas Cookbook [Hardcover] Betty Crocker Editors (Author)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Betty Crocker Christmas Cookbook [Hardcover] Betty Crocker Editors (Author):

1 of 1 people found the following review helpful. A classicBy Doug ErlandsonThis is one of my favorite cookbooks, and it's not just for Christmastime. It's pleasing to the eye, with many full-page color pictures that make the mouth water. And it has hundreds of recipes for just about everything from cookies and candies to coffee cakes and main dishes, to vegetables, fruit dishes, beverages, and much, much more. Some of the recipes are similar to ones I've found elsewhere, but there are quite a few that as far as I know are unique to this cookbook. As with all cookbooks put out under the Betty Crocker name, all its recipes have been kitchen-tested.
