**Betty Crocker : Betty Crocker Cookie Book** before purchasing it in order to gage whether or not it would be worth my time, and all praised Betty Crocker Cookie Book:

6 of 6 people found the following review helpful. Great Cookbook.By Sophie SadieI lost this cookbook somehow and was glad to get one in such pristine and excellent condition. It won't replace the memories of the one I had, but I'll have the recipes that I used so often which were obvious by the condition of the pages. I must have tried every cookie recipe in it and my favorite was one of the sugar cooky recipe. My Mom would call me before Christmas to make sure I made some for my Dad. So when I make them now it's a great remembrance of him, he passed in 2014. Thank you for replacing the memories of at least 45 years past.5 of 5 people found the following review helpful. A childhood favoriteBy ABA childhood favorite. I love that you can buy used books on . This one was indeed a treasure, filled with clippings and handwritten recipe cards tucked in the pages. I feel that I have been given someone's life - carefully preserved in these pages and what pages they are - filled with dozens of cookie recipes I remember from growing up in

the 70s. 4 of 4 people found the following review helpful. Betty Crocker's Cooky Cookbook. By Angela I had this book when my children were little. I bought one for each of them (4 sons.) The one I had was well used by me, and the children by always looking through it. Some how it was lost when we moved to a different home. Even though my sons had had their new book, they were sorry I lost the real deal. I ordered an old one for myself, because it brought back memories, to all of us. We didn't have much when they were children. If I could not do anything else for them, to bring back good memories, I used this wonderful book to make cookies, on Holidays. Now all, married with children of their own, I notice that this Betty Crocker cookie Book is on display in each of their homes. This makes me proud that they would remember this book as cherished all these years, and are glad to help their wives and children make Betty Crocker's cookies in their home for the holidays.
