These are great

cookies...By Lamont HislopI used to make cookies just for Holidays or special occasions, but now with this book my family is asking me to make them all of the time, and my wife ask me not to make them all of the time because she and I eat too many. But now I make them and take them right to my grandkids homes so they aren't tempting us so much. I still just love making them because this cook book has made them so easy to do.2 of 2 people found the following review helpful. Simple Cookie Recipes and TastyBy IGmdash;@vizykfitIf you like cookies, then this book will be fun. The recipes in here are simple to make. If you're looking for something more exotic, perhaps not. Kids will enjoy making recipes from here as well. Enjoy!
