**Betty Crocker : Betty Crocker New Cake Decorating (Betty Crocker Cooking)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Betty Crocker New Cake Decorating (Betty Crocker Cooking):

0 of 0 people found the following review helpful. The decorating ideas were perfectly fine, but a lot of the suggestions called for ...By Kate EI bought this when my copy of the previous edition met an unfortunate demise when it got attacked by bookworms (I'm not talking about book-lovers here) in my old apartment. The decorating ideas were perfectly fine, but a lot of the suggestions called for specialty equipment and a trip to Michael's. I thought the recipes in the previous edition were better in general and I also liked that most of the recipes in the older edition could be done with a set of regular pans, decorating tips, and inexpensive ingredients from the grocery store. Many of the ideas in this book are in line with modern cupcake-decorating trends, so maybe I'm just old-fashioned. Here's the older edition, which I will now be buying again:
