Betty Crocker : Betty Crocker Picture Cooky Book before purchasing it in order to gage whether or not it would be worth my time, and all praised Betty Crocker Picture Cooky Book:

1 of 1 people found the following review helpful. A cherished old friend By Frequent shopper I grew up cooking from this book. When I married my Mom gave the original to me and I used it until it literally fell apart. I found another that was heavily annotated by the owner and now that was also falling apart. I'm so glad to have found this third replacement, same ed. and date, and in much better condition with no markings. A great cookbook. Much loved. 1 of 1 people found the following review helpful. I bought this for my Mom to replace her ancient ... By W. Dunham I bought this for my Mom to replace her ancient copy that had the cover held together with duct tape and tons of reinforcing rings for the pages that had ripped out the holes. Some of the recipes are updated to include more modern methods and products. 1 of 1 people found the following review helpful. This cookbook is a classic and has great recipes. I've made several of the yeast bread ... By Ms Lady This cookbook is a classic and has great recipes. I've made several of the yeast bread recipes and they always turned out delicious. I especially loved the recipe for the crescent rolls and white bread. I love that the directions for the recipes are straightforward and doesn't waste time being long winded. Some of the recipes are a bit dated, but it's fun to read them anyway and to see what people ate back in the day. I would recommend this cookbook for people who are just learning how to cook.

Recipes in this 44-page pamphlet include: Almond Crescents, Almond Macaroons, Almond Wreaths, Applesauce Cookies, Berliner Kranser, Brazil or Pecan Jumbles, Brown Sugar Drops, Brownies, Busy-Day Coconut Drops, Busy-Day Nut Drops, Butter Cookies, Butter Fingers, Butterscotch Cookies, Caraway Cookies, Cherry-Coconut Macaroons,
