From Golden Press, Racine, WI : BETTY CROCKER'S 4 IN 1 COOKBOOK COLLECTION before purchasing it in order to gauge whether or not it would be worth my time, and all praised BETTY CROCKER'S 4 IN 1 COOKBOOK COLLECTION:

1 of 1 people found the following review helpful. not as good as I expectedBy Kathleen O. WornickiIt wasn't near as good as I had been led to believe. It's got some easy ones but also some very complicated ones. And I didn't find the one I was looking for that was supposed to be in it.1 of 1 people found the following review helpful. Great addition to any cookbook collectionBy Doug ErlandsonThe "4-in-1 Cookbook Collection," from Betty Crocker, has been one of our best cookbooks since we received it as a gift 35 years ago. The four cookbooks that are part of this single volume are: Cooking American Style, Salads, Hamburger Cookbook, and Do-Ahead Cookbook. Although we've made quite a few recipes from each cookbook, the one we've found most useful is the Hamburger Cookbook. In addition to containing recipes for many different varieties of hamburgers (e.g., burgundy burgers, reuben burgers, chili cheese burgers, etc., etc.), it also includes meatball and meatloaf recipes as well as other main dishes using ground beef. Some we've made repeatedly include the beef and lentil stew, the Mexicali spoon bread casserole, and the souper baked sandwich.An additional nice thing about this 4-in-1 cookbook is that all the recipes are relatively easy to make.1 of 1 people found the following review helpful. Versatile cookbookBy Doug ErlandsonEver since we received the "4-in-1 Cookbook Collection" more than thirty years ago, it's been one of the most-used cookbooks in our kitchen. The four cookbooks that have been brought together in one binding are: Cooking American Style, Salads, Hamburger Cookbook, and Do-Ahead Cookbook. We've made a number of recipes from all of these sections, but the one we've found most useful is the Hamburger Cookbook. In addition to containing recipes for as many different styles of

hamburger as one could ever want (e.g., burgundy burgers, reuben burgers, chili cheese burgers, etc., etc.), it also includes many different meatball recipes as well as several meatloaf recipes and other main dishes using ground beef. Some of our favorites from this cookbook are the beef and lentil stew, the Mexicali spoon bread casserole, and the souper baked sandwich. Almost all the recipes in this cookbook are relatively easy to make.
