Betty Crocker Editors : Betty Crocker's Bread Machine Cookbook (Betty Crocker Home Library) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Betty Crocker's Bread Machine Cookbook (Betty Crocker Home Library):

Betty Crocker's Bread Machine Cookbook By My 2 Cents I have used many bread machine recipes that I've found online for my bread machine that were all Betty Crocker recipes and they always turn out great. I thought that I would have a blast trying the different recipes in this book and it was such a good price to buy used on , but the recipes were not that good. The basic white bread recipe was a good one that I have

made multiple times, but the overwhelming majority of the remaining recipes were for unappealing breads. I expected at least a few basic types of bread that would become household staples but the recipes were for breads that you would really make very rarely or that only appeal to a few people. Now, I do love Betty Crocker recipes, but I would not purchase this particular bread machine book, I would look for another one. 0 of 0 people found the following review helpful. Five Stars By pdworsley I had this book before. Bought this one for a friend. 0 of 0 people found the following review helpful. Great book! By Kindle Customer I love this book. I have several bread machine books but I go back to this one for some of the same recipes over and over. Most notably, the buttermilk bread and the harvest bread. The harvest bread is a very savory loaf, excellent for sandwiches. The buttermilk comes out just like the buttermilk bread you can purchase in the stores, but it's fresher because you make it yourself. I am online to buy another copy because I have misplaced it and can't believe it's gone!

Betty Crocker has created an outstanding collection of recipes for the bread machine. With more than 100 recipes, there is something for every occasion, from -- Classic White Bread to Fireside Cheddar-Olive Bread and Almond-Chocolate Chip Bread. And Betty Crocker's recipes are guaranteed to work in any bread machine. For the perfect finish, a section on butters and jams provides spreads for the home-baked treats.
