When I saw this one I bought it so now I have a good copy again My favorite recipe is the Vegetable pie.0 of 0 people found the following review helpful. Just like Mom'sBy CrystalI have been looking for this book for a long time. My mother had it when we were growing up and the recipes are awesome. Was so happy to find it and in such great shape. Betty Crocker's creative receipes with bisquickBy Arlene AngelThis is one of the most used cook books for simple but great meals in all appetites. I use this book at least twice a week for a receipe. Thinking of ordering another just to be sure I don't misplace it.The receipes are simple and easy to make.

A beautiful book just for you :)
