Have, in fact, gone through one previous copy, to the point where it is falling apart and I needed another one. in order to make everyone's favorites. Buche de Noel is a great hit for the holidays. Along with the silver white cake, the chocolate cakes and many others too numerous to mention. Great compilation of recipes.1 of 1 people found the following review helpful. I have loved and used Betty Crocker cookbooks since I was marriedBy Elizabeth VanDykeI have loved and used Betty Crocker cookbooks since I was married, some 72 years ago and rely on them to this day. My first book went the way of all old books and in receiving the new one as a gift that is my Bible now. The old one is still around as I found the recipes were better to learn from than the new one. However they are both in my bookcase of cookbooks and I wouldn't be without them.
