3 of 3 people found the following review helpful. Great cookbook for newlyweds or empty nesters. By Judy Received a copy of this book at my bridal shower 37 years ago. Have used this book numerous times and love the recipes. The book has gotten so dogged eared and some of the pages were stuck together from use. I was happy to find a copy on , even though it was a used book, but in much better condition than mine. Highly recommend as recipes are easy to make and are delicious. 0 of 0 people found the following review helpful. Poor condition. By Sunshine Very poor condition. Not as described. Very worn. Many pages folded. Dirty.

Book in very good condition.
