I was so happy to find it online and for a price I would have paid 10x that for, as it was such a staple for menus at our house.0 of 0 people found the following review helpful. Five StarsBy AM BROWNEexcellent bbq book

Everything you need to know about outdoor cooking is in this book. You will find more than 450 recipes and menus for all kinds of open-air dining - in the backyard, on the patio, at the shore, on a picnic or camptrip, even afloat.
