2 of 2 people found the following review helpful. Wonderful CookbookBy GrammieI had lost this book and thought I would never see one again; because I got it from a box of Softasilk Cake Flour when I was very young. It contains wonderful recipes that had I enjoyed making for many years. Well thanks to you I can now start making them all over again with my granddaughters. I was very surprise to see that it was in such very good condition considering it's age. {around 1955-1957} Thank you again.
