By Pie Grrrl In my circle of friends, I'm known as a Master Chef. I can whip up delightful lemon curds, Sky High Meringue Pies, and shortbread that floats off the plate. BUT...I had NEVER baked a cake, never wanted to BAKE a cake, and didn't even LIKE cake...thanks to the miserable examples that I grew up trying to swallow in the 1960's! Dry, chemical tasting; they were featureless and a sure sign, in my myopic view, of "Lazy Cooks", especially where Box Cake Mixes were concerned. Enter 2005: I am asked to cater a British Tea Party...and one of the projects was to bake and decorate a CAKE! I expected to 'job it out' (having a bakery make it) but decided to tackle the Beast Formerly Known as Cake, instead. I signed up for Wilton Cake Decorating Class. The instructor, who runs a famous bakery in Michigan, SWORE by cake mixes and insisted that they "had

improved since my childhood". With her 30+ years of experience, she recommended ONLY Betty Crocker Cake Mixes and also recommended THIS BOOK, as a way to personalize the taste of cakes. Well, in for a penny, in for a pound of butter, I say. I started the classes, I ordered the Betty Crocker Ultimate Cake Mix Cookbook, and four weeks later, I've baked over 12 examples from the book, pulled off the British Tea to accolades, AND...learned that CAKE.IS.GOOD! This book is incredible! It has a history of HOW cake mixes have changed throughout the years; it explains what the ingredients "do" in a recipe, and it offers ways to make crisps, cookies, bars and other goodies with a mix. Out of my 500+ cookbooks, THIS cookbook has been the MOST used one in the past month! And I've brought it to class, where the other 5 students also ordered it!!! When professional bakers, who are making their mortgage payments and sending their kids through school via cakes, tell me that they use mixes 80% of the time, it's time to listen! You'll LOVE this book!!! 0 of 0 people found the following review helpful. I love being able to make many delicious homemade desserts from ...By Nancy I love being able to make many delicious homemade desserts from a store bought cake mix. My favorite is the Oatmeal Raisin cookies.
