**Betty. Crocker : Betty Crocker's Ways With Chicken** before purchasing it in order to gage whether or not it would be worth my time, and all praised Betty Crocker's Ways With Chicken:

Quick simple recipes make you want to try each one, and add this to the keep shelf. Even the endpapers have important info on storing and freezing. I must give credit to the delicious illustrator, Helen Federico. Her design and drawings are really beautiful. Great deal, recommended.

Features budget-minded chicken recipes for family and company.
