I got this book for my son - we are trying to introduce him to a new hobby and he seems to have an appetite for cooking/baking so it seemed natural to get him a betty crocker book! Ever since he received his book (it arrived FAST!) he has been pouring over it - looking at all the recipes, he's having a hard time deciding what to try first! From my end - i love how clear and detailed the instructions are, also that there are a variety of "recipes" that range from "I don't know how to bake" to "i won a bake off this year" skill level! 2 of 2 people found the following review helpful.
