Betty Crocker : Betty Crocker's cakes kids love before purchasing it in order to gage whether or not it would be worth my time, and all praised Betty Crocker's cakes kids love:

From the kitchens of Betty Crocker (i.e., General Mills, Inc.) comes this staple-bound booklet of specialized cake recipes for kids -- "for birthdays, holidays, any day". Includes patterns for forming the cake into giraffes, rag dolls, pandas, sailboats, chickens, cars, etc. A handy little reference guide that takes the guesswork out of creating something special for that someone special on their special day.
