Heather L. Earnhardt : Big Food Big Love: Down-Home Southern Cooking Full of Heart from Seattle's Wandering Goose before purchasing it in order to gage whether or not it would be worth my time, and all praised Big Food Big Love: Down-Home Southern Cooking Full of Heart from Seattle's Wandering Goose:

1 of 1 people found the following review helpful. A Beautiful Book By Sara Mendez I've had the privilege of going to Wandering Goose when I was in Seattle visiting my brother Sam. I'm so happy that I ordered this book! It's beautiful, has really nice photos recipes that I can't wait to try! 0 of 0 people found the following review helpful. I have bought three of Big Food Big Love and I plan on buying more for my friends ... By joe.martina I have bought three of Big Food Big Love and I plan on buying more for my friends who love to cook and love Southern food. What I enjoyed about this cookbook is it tells a story. It makes you feel good just to read the book for the story.....than add in this wonderful recipes. I have tried a few of the dishes and everything went easy and turned out great. Easy, simple recipes and the results were perfect. I would buy this cookbook over and over again. It is a keeper. 0 of 0 people found the following review helpful. I really enjoyed this book By Tar Heel Born As a North Carolina native, I really enjoyed this book. The

running narrative brought back some great memories of places and people in my home state. The chef shows a lot of creativity in her recipes. Being a southern boy, I was tickled by the oft used phrase "drain on a paper towel". Next time I am in Seattle, The Wandering Goose will be on my list for a big lunch of big food and surely some big love. Great book!

When Heather Earnhardt opened her tiny, magical café, The Wandering Goose, in Seattle, she infused a little Southern comfort into the heart of a city that's skies are often gray. Her specialty is biscuits, slathered with butter and homemade jam, piled high with fried chicken and bread-and-butter pickles, or country ham and an over-easy egg. In *Big Food Big Love*, this "red-dirt girl" shares stories from her childhood in the South and 130 recipes that contain a satisfying mix of nostalgic and traditional Southern favorites. Served up with a side of Southern charm, this is genuinely good and unfussy food that's meant to be eaten with family and friends.
