Author needs to proof read!By Old Cookie BakerI tried the peanut butter cookie with toffee pieces. I immediately noticed that the recipe only called for 1/2 cup flour. This of course had to be an error. I contacted the author but got no response. I adjusted the amount, but would probably adjust again if I made them a second time.I am more disappointed in the lack of response from the author than from the error itself.I have also made the snickerdoodles and they were fair, but not outstanding.1 of 1 people found the following review helpful.
