A must have for the biscotti loverBy Janet GeiselPresent for a friend who lies to bake biscottis1 of 1 people found the following review helpful. Treasured Gift From My SisterBy Chip EFor my birthday in 1995, my sister, April, gave me a copy of this little beautifully illustrated book. I had told her I wanted to learn how to make biscotti. I made the first recipe, Biscotti Toscani, and by request have made it every year for my Mom, sister, and a few selects friends, one a professional baker. A co-worker took some to her Mom one Christmas and thereafter, I received the supreme compliment from this Italian grandmother, that mine were, 'better than hers'; and her Anise Biscotti were incredible! It is now 2011 and this wonderful Italian grandmother and my own dear sister are both in Heaven. I have continued to bake biscotti each Christmas for Mom, for my co-woker Maribeth, a few other friends, and in memory of her Mom and my sister. Maribeth's retiring in a month, so I just ordered the book for her: to evoke rich memories of friendship and family and just perhaps, inspiration to bake her own wonderful biscotti! The Biscotti Toscani have been such a hit over the years, I've yet to try another recipe!
