Margaret Barca : Biscuit And Slice Bible before purchasing it in order to gage whether or not it would be worth my time, and all praised Biscuit And Slice Bible:

Little treats with big appeal. We all like to indulge in a tasty tit bit now and then and a freshly baked biscuit or slice does just the trick. Ideal for morning teas, school fetes, or as an after-dinner sweet, home-baked biscuits and slices are so versatile and easy to make. They're less costly - and far tastier - than their store-bought cousins and they make a lovely gift for family and friends. With a tantalising array of sweet and savoury recipes, as well as gluten-free and no-bake options, Biscuit Slice Bible has the perfect delectable morsel for everyone.
