My personal bible for biscuitsBy Ana Luisal cannot recommend Biscuits and Slices enough! The recipes are easy to follow, simple ingredients, excellent results. There are recipes for all tastes, divided by main ingredient: cereals, chocolate, coffee,

coconut, fruit and butterscotch. A must for any cook who likes it practical and delicious :)

Handmade biscuits and slices are unrivalled for flavour. Few can resist the sweet temptation of homemade goodies. Luscious meringues and macaroons, cookies and buttery shortbread, as well as slices and chocolate treats are all included in this collection which should suit the whole family.
