**Aaron Maree : Biscuits, Pastries and Cookies of the World** before purchasing it in order to gage whether or not it would be worth my time, and all praised Biscuits, Pastries and Cookies of the World:

A collection of recipes from around the world. Where necessary step-by-step photography is provided to ensure successful results for the more difficult recipes. The book features traditional recipes such as chocolate fudge brownies, macarons and shortbread, as well as more exotic and unusual creations such as honey-flavoured baclava, palais de dame and almondines. Spiced with anecdotes and folklore, the book includes a chapter on icing, toppings and decorations.
