For my purpose, the perfect giftBy ramona whiteBecause I was leaving the U.S. to go to Taiwan for several months, I purchased six copies of this book as gifts for family members. While I did not expect that they would experiment with every recipe, I chose it because the pictures of various Taiwanese dishes are presented in colorful photographs, along with information about the ingredients in each. In addition, it answers in a beautiful and informative way this question: "What is the food like in Taiwan?" That is probably my main reason for a five-star rating!1 of 7 people found the following review helpful. Love the Blue Eye Dragon CookbookBy iflyGreat cookbook and easy to follow instructions. The recipes are true to the amazing food that is served at the restaurant.

A skilful and inviting cookbook of Taiwanese cuisine and mainland Chinese flavours. This book gives simple instructions of how to prepare easy recipes full of flavour from three generations of great cooks..Over 80 recipes with full color photography, Muriel and her mother Jade explain the tastes, basic ingredients and methods of the Melting

Pot. From Salt and Pepper Classics to traditional and new takes on soups, stir fry's and entrees, to their famous dumplings, pork belly and the crispy chicken.

Chen's parents are Hakka and Hokkien traditional and new takes on soups, stir fry's and entrees A skilful and inviting cookbook of Taiwanese cuisine Traditional Taiwanese cuisine famous for their dumplings, pork belly and the crispy chicken. About the Author The Taiwanese are Chinese in heart and ancestry. Chen's parents are Hakka and Hokkien. The author Muriel Chen spent her teenage years waiting on tables in the family's 300-seat restaurant in Taiwan. Her mum, Jade, is the force behind the menu, which draws from the mainland, but is the distilled wisdom of the matriarch's 30 years at the wok
