Beautiful pictures of the food are provided in her books ...By MoonQuestRanchI have several of Linda Amendt's cookbooks, and she is the only cookbook author with recipes that I don't have to adjust. Beautiful pictures of the food are provided in her books and she provides very useful information apart from the recipes. I have purchased many of her books to give as gifts.0 of 0 people found the following review helpful. I did get some good tips on pie crust butBy yourchefI did get some good tips on pie crust but...
