Maida Heatter : Book of Great Cookies before purchasing it in order to gage whether or not it would be worth my time, and all praised Book of Great Cookies:

0 of 0 people found the following review helpful. Maida Heatter cook bookBy capricorn60usMaida Heatter books are easy to use and instrucionts are well written.1 of 1 people found the following review helpful. The Queen of Baking!By C. A. VaripapaThere are a slew of new cake and cookie authors but Maida Heatter will always be the Queen!3 of 4 people found the following review helpful. excellent bookBy Irish Angeli made a few recipes from this book that were very old fashioned, some I had never heard of before, and my family loved them. I love the simplicity in most cases and the unique ones you can find anywhere else. I love she uses her sunbeam and it impressed me she takes it everywhere with her, I love the old school stuff. I don't think you would be disappointed in this. a bright spot in the world of today and takes you back to a simpler time.
