**Krystina Castella, Terry Lee Stone : Booze Cakes: Confections Spiked with Spirits, Wine, and Beer** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Booze Cakes: Confections Spiked with Spirits, Wine, and Beer:

2 of 2 people found the following review helpful. Great to read. Great to bake. Ummmmm...good! By Sarah Rogers I love recipe books! I love to read recipes and mentally taste them (probably a pastime related to my constant diets). And I love to bake and actually taste the results. "Booze Cakes" is a joy to read. As stated on the cover, it offers recipes for "Confections Spiked with Spirits, Wine and Beer"--everything from an English Trifle to Topsy Tiramisu to Tres Leches Cake. It also provides "Booze Cake Basics" including how various spirits are made and how much alcohol stays in baking. I couldn't test all the recipes in the book. But one of them, Tres Leches Cake, produced the best cake I've made in over 40 years of baking. The recipes I tried were easy to follow and offered interesting variations and even some short cuts. And the heavy cover flaps helped keep the book open as I followed the recipes. The recipes in this book will add new interest to your desserts and lots of enthusiastic compliments from your family and guests. 3 of 3 people found the following review helpful. Booze-y Deliciousness By Mindy Great recipes and also has a booze chart to let you know the percentage of alcohol that will remain in your creation after baking it. Very helpful if some folks have limitations on alcohol percentage, but enjoy the booze-y taste. A helpful hint from "Moi" to those wanting a little more alcohol (kick) in your creations: After baking, get a spray bottle and put the alcohol of choice in it. Spray your

creation several times, each time letting it soak in a few minutes before respraying, that way it won't get soggy. This will bump up the alcohol percentage after some of it has been baked out ;) I have a mini donut maker and do donut shots this way, and they are a huge hit at parties!!!!3 of 3 people found the following review helpful. Beautiful cookbook!By LisaLouThis is one of the better baking cookbooks I have had. My personal favorite is the Margarita Cheesecake. I had gone to a party where this was served and it was (and is) one of the most delicious cheesecakes I have ever had. The hostess showed me this book and I was immediately ordering it that night.

Mix, Bake, Buzz! Booze Cakes features step-by-step recipes for spiking delicious confections with spirits, wine, and beer. These delightfully tipsy desserts are perfect for dinner parties, potlucks, and pitch-ins! You'll find recipes for: • Classic Booze Cakes: All the recipes your grandparents used to bake, including salty-sweet Honey Spice Beer Cake, bourbon-filled Lane Cake frosted with decadent bourbon buttercream, and teeny-tiny yet potent Tropical Fruitcake Cupcakes. • Cocktail Cakes: These brand-new recipes are based on classic cocktails and mixed drinks: A tropical Pinte; a Colada Cake, Mint Julep Cupcakes made with Kentucky bourbon, and creamy, chocolatey Rum-and-Coke Whoopie Pies. • Cake Shots: For the perfect party snack, try bite-sized Long Island Iced Tea Cakes, decadent little Wine-Tasting Cakes, and every imaginable flavor of Jelly Cake Shot. • Cakes With A Twist: These extraordinary cake recipes are made even better with alcohol. Enjoy a Jaume;meister-powered Deutsch German Chocolate Cake, Shamelessly Rich Carrot Cake infused with 151-proof rum, and frosty, delicious Spiked Ice-Cream Cake. Featured throughout are tips and tricks on baking with alcohol, serving suggestions for fun cocktail-cake parties, and yummy cocktail recipes to accompany your confections; plus a handy "Booze Meter" that tracks the total alcohol content in each of these decadent desserts Indulge yourself!

Well-designed; and beautifully photographed; title that makes a perfect summer gift. Filled with intoxicating color photographs and an easy-to-read layout, Booze Cakes contains over 40 recipes with numerous variations for cakes of all kinds. Library Journal As Booze Cakes says, "The great thing about baking practice is that you get to eat your mistakes." So true. There were no leftovers. McClatchy News Service From Pinte; a Colada Cake to Rum and Coke Whoopie Pies, there's a dessert in this book that will satisfy every lush's sweet tooth. LemonDrop.com Whether you buy Booze Cakes as a house-warming gift or for yourself, it's the ultimate dessert cookbook to have on hand for your next party. Examiner.com About the Author Krystina Castella enjoys creating books and products that inspire play.
