3 of 3 people found the following review helpful. Great book on making beer and wineBy KimAfter reading this book,

I realized that you can make beer and wine from almost anything! If you like this book, you may also like Steven Buhner's "Sacred and Herbal Healing Beers: The Secrets of Ancient Fermentation". 4 of 4 people found the following review helpful. Awesome! By Heron Very comprehensive and well written. I have already suggested it to many of my friends and will be using it as a resource for years to come. 1 of 1 people found the following review helpful. Five Stars By William Mefford Cuts out the crap and technospeak so you can understand what to do and WHY. Excellent resource.

Your bar tab doesn't have to break the bank. Learn how to grow, forage, and brew your way to good spirits with the same amount of helpful facts and fun that stirred the moonshine craze! A single cocktail can cost you \$15 in a bar or restaurant. But home brewer and self-sufficiency expert Andy Hamilton can show you how easy and economical it can be to make simple hop brews, exquisite wines, and delicious infused spirits—all from easily grown or foraged ingredients. *Booze for Free* shares a wealth of valuable information, including: • Home-brewing 101 • How to turn your garden into a drinker's paradise • Where and how to forage with success • How to make more than 100 delicious drinks to your preferred taste and strength—quickly, cheaply and with minimum fuss • And more! For readers who love *THE DRUNKEN BOTANIST*, a guide to making delicious (and inexpensive!) beverages at home.

• For those who give a damn about the planet but still want to enjoy a beautifully crafted pint of the finest, *Booze for Free* is absolutely compulsory reading. —Mark Boyle, author of *The Moneyless Man* • Brilliant! Mouthwateringly delicious ideas and recipes. Packed with fascinating and useful information about the world of foraging, not to mention a good pinch of humour. —Brigit Strawbridge, star of "It's Not Easy Being Green" • A book-of-the-year contender ... a book which I'll be reading again and again, and you'd have to be drunk not to want to do the same! —realepicurean.com About the Author ANDY HAMILTON is a home brewer, forager, and survivalist expert. He lives in Bristol, England.
