Johanna Hiatt Smith : Bread and Blessings: Including Traditional Moravian Recipes (Volume 2) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Bread and Blessings: Including Traditional Moravian Recipes (Volume 2):

However, there is only one volume that has this name. The other volume, with an identical picture on the cover but roughly \$20 cheaper, is the same volume in black and white. As listed one gets the idea that volume 2 is a follow-up to the original volume (which is unnumbered). That is not so. They are, page by page, identical except for color or black and white. 1 of 1 people found the following review helpful. Bread and Blessings By bama guy Purchased this book about two weeks ago. My wife has so graciously made several of the recipes which have been delightful. I enjoy flipping through it and finding the next recipe to try. So far the four we have tried have been great. I am getting to be a huge fan of the waffles and coffee style breads. I have also found the blessing theme to be inspirational. I would not wish job loss on anyone, but in this case Johanna may have found her calling. My stomach and I look forward to her next work of culinary art. 2 of 2 people found the following review helpful. A religious book with winter recipes. By Ann K. Stafford A delightful book with scripture on every page. Lots of bread recipes but a must for those who "read" recipe books.

Bread and Blessings is a 200 page cookbook of bread recipes and color pictures. Many of these recipes have been perfected over the generations, and can take you back to the time when families gathered around the kitchen table in celebration of food, family and fellowship. These recipes include biscuits and scones, corn breads, yeast breads and focaccia, sweet breads and muffins, pancakes and waffles, recipes using mixes, canned and frozen dough along with a selection of traditional Moravian recipes that include Moravian Buns and Moravian Sugar Cake. Bread and Blessings is a true dedication to the Blessings of God through its inspiring and uplifting scripture, along with table blessings that can be added to your family's meal time as you remember to be thankful for your countless blessings.

About the Author Author Johanna Hiatt Smith lives in the foothills of the Blue Ridge Mountains of Patrick County, Virginia. Several years ago she was downsized from her job. As she has many times in her life, she went to God in prayer asking for his guidance. It wasn't long before God showed her the answer was within... it had been in her heart all along. It was her passion for baking. With the encouragement of her husband and sons... Bread and Blessings was born.
