3 of 3 people found the following review helpful. Great Baking Book with Great RecipiesBy Judi TThere are more recipies here than I anticipated and they are so simple. Some books are so intricate but this one is one, two, three and you are there. It explains additives and when and why to use them. I really love this book.0 of 0 people found the following review helpful. Five StarsBy Mary JonesExcellent choice of breads from around the world!!0 of 1 people found the following review helpful. It's OKBy Aleksandar KuduzCould be better but it's OKFor a bible, missing a few

recipes more from every part that is written. I bought used one for 17 usd and that is OK but I see that new one is 174 usd and that is way to much for a this kind of book
