The recipe for carrot cake with cream cheese frosting is a crowd pleaser. Also, the challah recipe gets used for friends every year for Rash Hashanah and Passover! They give it highest marks.1 of 1 people found the following review helpful. Handled timely.By Diana AndersonThis is an excellent, easy to follow book for baking bread. Easiest I have used. Great Book, buying it again!By christa whitakerI have had this book since the 70's and have carted it around for so long that I have pages missing, so I did a search and I am buying a new one. Very easy and delicious recipes, my family loves them! Highly recommend the Peasant Potato Rounds... which was one of the missing pages and the reason for getting a new book !
