**Jennie Shapter : Bread Machine Basics** before purchasing it in order to gage whether or not it would be worth my time, and all praised Bread Machine Basics:

0 of 0 people found the following review helpful. Great Book for BegininersBy Mimi BuyerAlthough I titled this review "Great Book for Beginners" I believe experienced cooks will find it useful, also. I have used a bread machine for many years and still learned new things. It gets down to the basics and gives you information you can take to any recipe.

This guide will help you to discover the different features of your bread machine and find out about essential dough

ingredients and flavorings.
