**Jennie Shapter : Bread Machine (Cook's Practical Handbook)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Bread Machine (Cook's Practical Handbook):

0 of 1 people found the following review helpful. love itBy Helen McElronewas a great book . Bought it for a gift and they loved it was del. on time . Merry christmas

Stunning full-color photographs, step-by-step techniques and an enticing selection of creative recipes make this a comprehensive guide to baking bread.

About the AuthorJennie Shapter is a freelance food writer and home economist specializing in cooking food for photographs In the early part of her career, Jennie spent a number of years working as Chief Home Economist for

several major food manufacturers, where she developed her considerable baking skills. She has written more than twenty cookery books.
