2 of 2 people found the following review helpful. What language was this written in?By BarbaraLanguage is very uncomfortable to read. "Water, of water warm variety." Again as in a previous book, the instructions provided at the beginning of the book are ignored in the recipes. Lastly, there was only one recipe in the entire book that I would even bother to try. Most of the recipes are ordinary and unimaginative.2 of 2 people found the following review helpful. It has good bread recipesBy DonnaIt has good bread recipes. But, it shows you how to make the bread in the oven not in a bread machine. And the idea was to save the kitchen from getting hot by using the bread machine. Little disappointed with this read.1 of 1 people found the following review helpful. but some are good.By CustomerNot a very diverse recipe book, but some are good.
